detachment from reality,
overambition.

*"I embrace my visionary insights,
grounding them in action to shape the
future."*

Journal Prompts

- Which archetypes feel most alive within you right now? Why?
- Which archetypes have you silenced, suppressed, or feared—and what might have caused that disconnection?
- Is there an archetype that deeply intrigues you or calls to you... but feels just out of reach? What would it take to let her in?
- How might your leadership shift if you allowed all of these parts of you to be expressed—even the soft ones, the sensual ones, the bold ones, the mystical ones?
- What's one small way you can embody one of these archetypes in your life or leadership this week?

*Let your answers be messy, tender, raw,
or poetic. There's no right way—only
your way.*
